Personnel - General
ARMY SUBSTANCE ABUSE PROGRAM (ASAP)

Summary. This supplement updates TRADOC schools urinalysis testing policy and makes changes to administrative procedures.

Applicability. This supplement applies to all TRADOC installations and activities.

Suggested improvements. The proponent of this supplement is the Deputy Chief of Staff for Personnel, Infrastructure and Logistics (DCSPI&L). Send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Blank Forms) through channels to Commander, TRADOC, ATTN: ATTG-ZI, 5 North Gate Road, Fort Monroe, Virginia 23651-1067. Suggested improvements may also be submitted using DA Form 1045 (Army Ideas for Excellence Program (AIEP) Proposal).

Supplementation. Further supplementation is prohibited unless specifically approved by HQ TRADOC.

Availability. This publication is distributed through the TRADOC Homepage at <http://www.tradoc.army.mil>.

AR 600-85, 1 October 2001, is supplemented as follows:

Paragraph 1-26. Commanders of companies, detachments, and equivalent units.

1-26j. Add the following at the end of the paragraph: "Ensure all OBC/OCS and WOCS students undergo Army Substance Abuse Program (ASAP) urinalysis testing within 72 hours of arrival at school."

Add the following subparagraphs:

1-26k. Include students in courses longer than 5 weeks in the installation's random drug testing program. Urinalysis testing is not required for students in courses shorter than 5 weeks resident training, unless the Mission Commander or NCOA Commandant deems it necessary.

1-26l. Ensure Initial Entry Training Phase IV, V, and V+ trainees fully participate in each installation's required random urinalysis testing program.

1-26m. Ensure permanent party soldiers who test positive during random urinalysis testing are handled in accordance with guidance and procedures provided in this regulation.

TRADOC Suppl 1 to AR 600-85

1-26n. Ensure any student attending a TRADOC school that tests positive on a urinalysis test is dropped from the course in accordance with current applicable disenrollment procedures and processes found in TRADOC Reg 350-10.

1-26o. Commanders who deem it necessary to test their permanent party and students more often than prescribed in paragraphs 1-26k through l above are authorized to do so within their annual budget/ASAP funding constraints.

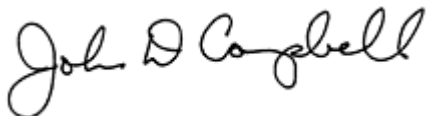

1-26p. Institute aggressive and unpredictable urinalysis testing ("Smart Drug Testing"), to include varying days and times of testing; testing on Friday afternoon and again on Monday morning; testing on occasional nonduty days and testing in the field.

1-26q. Make testing and elimination of drug and alcohol dependence a priority for students and permanent party soldiers. Drug and alcohol abuse is a readiness issue.
